TIPS AND SAFETY

- Respect all traffic laws and drive safely, assuming others do not see you.
- *Never race in traffic. Use proper signals when turning or stopping
- *Always keep your lights on when cycling after sunset.
- *Always wear your helmet
- *Always wear shoes that stay firmly on your feet and have a good grip on the pedals. Do not drive barefoot or wearing sandals.
- *Never drive with headphones. They cover the sound of traffic and prevent you from concentrating properly. The wires may also entangle with the bike's moving parts and cause you to lose control.
- *Remember you are sharing the road with other drivers and pedestrians.

Rental Terms and Conditions

Driver's Age

- The minimum age is 18. Persons under the age of 18 must be accompanied by a parent or guardian.
- Clients must be familiar with the use of bicycles and have no health or medical restrictions in the use of bicycles.
- Clients are responsible for the correct application of the provided safety measures.

Restrictions

- Occupants may not exceed the permitted number of persons as determined by the manufacturer and the lessor.
- The renter is obliged to use the rental wisely, to observe the rules of public safety and to adhere to all traffic laws.
- The user is prohibited from lending or renting to others.
- The driver declares that he will not rent and use bicycles under the influence of alcohol or drugs.
- *The company has the right to refuse rental to persons who are allegedly intoxicated or under the influence of drugs and/or stimulants.
- The company bears no responsibility for any accidents or damages to passengers and third parties resulting from the misbehavior or driving of the renter and passengers, as well as for damage or damage to foreign property that will occur during the rental, which clearly results from the kept records of the company. The lessee is solely responsible.
- The renter undertakes to return the bicycle on the predetermined delivery date. In case of non-return there is a corresponding charge.
- The renter declares that before each rental he examines the bike and its operation and finds it to his liking and that it is in excellent condition. The rental will not continue if there is a defect in the rental bike. The return of the bicycle also implies the above declaration-acceptance for all the above.
- The lessee was advised at registration to use a special helmet and special equipment in each rental. The use of helmets and equipment is provided free of charge by the company to the member in each rental.
- Regardless of the above, the store has the right to prohibit the entry and rental to any person without the obligation to justify his decision.
- The car stand must carry a triangle.
- In case of loss of the bicycle, the rental company has the right to charge the renter's credit/debit card 2,500 euros.
- The renter is responsible for the proper use of the bike stand. In case of any damage there will be the corresponding charge.

- Do not park the bike next to heat sources and high temperature environments.
